CRAFT BEERS

Pete's Restaurant & Brewhouse is proud to offer six fantastic proprietary craft brews, specifically developed for our beer loving patrons.

Pete's Handcrafted UPTOWN BLONDE

Light, full-flavored and sumptuous to taste. A great introduction to "craft" brewed beers – perfect for those who prefer a lighter taste and low bitterness. California Buckwheat honey lends an interesting dimension to complement lighter fare. Savor this Uptown Blonde – the first sip could lead to a fuller craft beer experience.

Pete's Handcrafted MIDTOWN ALE

This light-bodied American Ale is brewed to be both flavorful and immensely drinkable. Its crisp and balanced character is achieved by using Pale and Munich malts creating a distinctive citrus-fruity aroma, a smooth malt middle and a gentle hip finish.

Pete's Handcrafted OLD TOWN RED

This medium-bodied brew possesses a rich, malty flavor and ruby red color derived from the use of imported, kiln-roasted caramel malts. Its smooth malt middle is well complemented by a crisp, yet subtle, hip finish. Pete's Old Town Red is truly a well balanced pint in the Amber Ale tradition.

Pete's Handcrafted SKINNER'S HORSE IPA

First brewed in England and exported for the British troops in India in the late 1700's, IPA's were strong and highly hopped to withstand the long voyage. A beautiful flowery hip aroma with the middle caramel malt presence balances high hop bitterness with hop flavor end to end.

Pete's Handcrafted WHEAT

This hefeweizen is a traditional Bavarian wheat beer brewed using a classic German recipe. The malt bill is 60% wheat with a special Bavarian yeast strain which imparts beautiful fruity flavors and aromas. A perfect example of a 100% natural and traditional wheat ale. A true session beer.

Firestone DOUBLE BARREL ALE

Unparalleled in character and uniquely fermented in our patented Firestone Union oak barrel brewing system, our flagship Double Barrel Ale boasts a distinctive complexity and richness. English and Slovenian hops contribute a clean, balanced texture and a fragrant, spicy bouquet.

Deschutes Brewery is in the business of daring people to expect more from their beer. That's why we started off in 1988, on the banks of the Deschutes River in Bend, Oregon, by selling Black Butte Porter at a time when others were sure a dark beer would never catch on.

BLACK BUTTE PORTER

Deschutes' flagship beer, Black Butte Porter is rich in flavor, yet easy to drink with a slight hop bitterness up front that enhances the distinctive chocolate and roasted finish. For 21 years, Black Butte's intense flavors and creamy mouth feel have redefined dark beer for Northwest enthusiasts.

MIRROR POND PALE ALE

With its definitive hop aroma and hop-forward flavor, Mirror Pond is the quintessential Pale Ale. Four different hop additions, a crucial dry-hopping, and a light touch of Crystal malt give it a prized aromatic complexity. Sample it against others to see what we mean.

INVERSION IPA

Inversion IPA is a big, bold, West Coast India Pale Ale. Dry-hopped Cascade and Centennial varietals provide a tart citrus kick. Then things take an unexpected turn, as Carastan and Crystal malts create a complex, caramel finish. So much for painting inside the lines.
